

**PUBLIC ORGANIZATIONS
«CIVIL INITIATIVE»**

ANNUAL REPORT 2009

www.ciin.ru

OUR HISTORY

The public organization «Civil initiative» was registered for the first time on May, 5th, 2004 under the name «Human rights centre of the Chuvash Republic». However by 2009 there was a significant updating of team of the noncommercial association members. There were also new ideas together with the new members. General council of members has decided to expand a line of business considerably. Resulting this appeared a necessity to change the name, and consequently – to undergo state re-registration.

The re-registration was finished on March, 5th, 2009 and this date became the second birthday of our organization. Having rich design history, wide friendly and business relationship, we have not got in an endless loop of the past, but are directed in the future.

MISSION & AIMS

Our mission – assistance to mutual understanding and interaction development between state bodies and society, to active participation of citizens in governing, to development of local government and democratic traditions of civil society.

Our aims - assistance to satisfaction of requirements of society in social, cultural, spiritual development, maintenance of ecologically clean conditions of life, patriotic upbringing of citizens, maintenance of law and order; assistance to forward development of the economic initiative and independence, increase of level of financial wealth of citizens; formation of custom of effective interaction of society and the state focused on accelerated social, cultural, economic and political development of Russia, assisting the country in its return into the list of top-countries of the world.

DRAFTS

In 2009 the public organization «Civil initiative» implemented projects of development of children's and youthful scientific and technical creativity of pupils and students of educational institutions

«Chuvash Republic – 3000: high technologies of the future» as part of its mission; promotion of resource-saving and non-polluting technologies introduction- «Ecology in work of enterprises of small and middle business»; long-term project realization «Open legal Clinic" Right "is continued.

RESEARCHES

Department of social research executed within 2009 : social researches on themes «Study of opinion of establishments of vocational training graduates of different years concerning satisfaction with the quality of education and its conformity to requirements of the organizations of the Chuvash Republic»

and «Research on infrastructure of professional training and retraining of personnel, demand for experts in Chuvash Republic», and also research on opinion of the population concerning labour migration outwards Chuvash Republic; monitoring of employment of establishments of initial vocational training graduates and satisfaction of the population with quality of the state-funded carried out by establishments of initial vocational training.

SUPPORT of the BUSINESS

As part of the project on help for the unemployed implementation, activization of self-employment and development of small and middle business a series of free seminars and individual consultations aimed to improve professional skill of founders, chiefs and employees of credit cooperation was conducted.

MEDIA

Large and important work is conducted by department of public relations. In 2009 employees of department created regularly support the public organization site «Civil initiative» www.ciin.ru, co-working

relations with editorial staff of sites of Public Chamber of Russian Federation, agency for social information, portals nko.ru and ngo.ru, editorial staff of newspapers «Rossiyskaya gazeta», «Sovetskaya Chuvashia», "Grani", «Samraksen khasache», National radio and broadcasting company of Chuvash republic are adjusted.

PUBLIC CHAMBER OF THE RUSSIAN FEDERATION

The public organization «Civil initiative» plays an active part in interpublic dialogue and interaction of nonprofit organizations. Thus, we have taken the most active part in campaign for promotion of candidates from NGO the Chuvash Republic in to Public Chamber of the Russian Federation of the third convocation.

Thanks to harmonious actions and a united position of public men of the republic, for the first time in history of Public Chamber it has a representative of Chuvash republic – the Mufti, Chairman of spiritual Counsel of Moslems Albir Khazrat Krganov which had been put forward by our organization.

PARTNERSHIP

During last year we have considerably strengthened interaction with authorities. Joint projects with the Ministry on Education and youth policy and the Ministry of Economics and trade of Chuvash Republic have been implemented. The support of projects of the organization was declared by the Ministry of Justice and State department of employment of Chuvash Republic. Reliable business relationship with Chuvash Republic President Office and the Ministry of natural resources and ecology are established. Cooperation with the deputy of the State Duma of Russian Federation, honoured rank of Hero of Russia, pilot and astronaut Nikolay Mihajlovich Budarin who renders "Chuvashiya - 3000" invaluable service in implementation of the project of activization of children's and youthful scientific and technical creativity «Chuvashiya-3000: high technologies of the future».

INTERNATIONAL COOPERATION

In 2009 «the Civil initiative» public organisation cooperation with foreign colleagues received new impulse.

Strong co-working relations with not government organisation «PUM – Netherlands senior experts» are established, the seminar «Ecology in work of enterprises of small and middle business» is held, the joint project on development in of ecologically clean business and to promotion of "green" way of life is developed.

CASES IN 2010

The year 2010 promises to become even more intense for us. The public organisation «Civil initiative» plans continuation of work of long-term projects of open legal Clinic "Right" and activation of development of children's and youthful scientific and technical creativity «Chuvashiya – 3000: high technologies of the future». This year to us, together with the Ministry of natural resources and ecology of Chuvashiya and a nongovernmental organisation «PUM – Netherland senior experts». It is necessary to finish project development «Ecology in work of enterprises of small and middle business» and to begin its implementation.

CASES IN 2010

Project on help for the unemployed, activization of self-employment and development of small and middle business «Start-up plus» is already working. As part of education of patriotism and tolerance it is necessary to carry out events «Large flag of large country» by Independence Day of Russia and "Recollect, understand, remind", devoted to the Victory 65 anniversary in the Great Patriotic War (World War II). Development of new directions of activity is planned. In the field of development of culture and spirituality of the republic citizens the project «Chuvash rainbow» is prepared. There is a project in the field of propagation of the healthy way of life prepared for implementation.
